#### SUMMARY OF GCSE RESULTS AND EQUIVALENT QUALIFICATIONS

**\*2017 Results** : Please note that the accountability measures for schools remain in a transitional state. The new measures of Progress 8 and Attainment 8 are in their second year being used as the main performance measures for schools. However, changes to the methodology for calculating Attainment 8 means that the national average will be lower this year and a direct comparison with previous years should not be made. %4+ in English and Maths is the first time this measure has been reported. The percentages should approximate %C+ in English and maths in previous years but direct comparison with previous years is not advised until national data is published.

Performance measure	2014	2015	2016	2017
Progress 8	+0.20	-0.25	-0.01	+0.02
Attainment 8	46.0	42.6	46.3	46.9*
% 4+ in best English and maths (C+ prior to 2017)	N/A	42	46	60*
% 5+ A*-C (4 – 9 in reformed GCSE's)	62	45	59	66
% A and A* in all grades obtained (7 – 9 in reformed GCSE's)	16	10	11	22
% 5+ A*-G (1 – 9 in reformed GCSE's)	98	93	97	97

NB : The Key Stage 4 summary results above are provisional and the progress 8 estimation is using an estimation of the 2017 national results. They are subject to changes in national averages and the outcome of our request for reviews and regrades of specific student exam/test papers by the respective examining boards.

For further detail regarding individual subject results please e-mail Mr Stephen Rolt at the school ; [rl@warwick.surrey.sch.uk](mailto:rl@warwick.surrey.sch.uk)
