Proposed Admission arrangements for The Warwick School - 2022/23 - for consultation

1 Introduction

The Published Admission Number (PAN) for initial entry to The Warwick School in 2022 will be 240 / 210 / 210

Applications for admission at the normal intake will be managed in accordance with Surrey's coordinated scheme for secondary admission. Applications for admission to Year 7 must be made by 31 October 2021.

Children with a statement of special educational needs or an education, health and care plan (EHCP) that names the school will be allocated a place before other children are considered. In this way, the number of places available will be reduced by the number of children with a statement or education, health and care plan (EHCP) that names the school.

Where the school is over-subscribed for any year group, applications for entry in 2022/23 will be ranked in the following order:

- Looked after and previously looked after children (see Note 1)
- Exceptional social/medical need (see Note 2)
- Children of a member of staff (see Note 3)
- Siblings (See Note 4)
- Children for whom the school is their nearest school (see Notes 5 & 6)
- Any other children (see Note 6)

If within any category there are more children than places available, any remaining places will be offered to children who meet that criterion on the basis of proximity of the child's home address to the school. The distance will be measured in a straight line from the address point of the child's home address, as set by Ordnance Survey to the nearest official school gate for pupils to use. This is calculated using the admissions team's Geographical Information System.

2 Looked after and previously looked after children

Looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children will be considered to be:

- children who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and
- children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Places will be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their PAN at other times under this criterion.

3 Exceptional social/medical need

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances apply which will warrant a placement at a particular school. The exceptional social or medical circumstances might relate to either the child or the parent/carer. Supporting evidence from a professional is required such as a doctor and/or consultant for medical cases or a social worker, health visitor, housing officer, the police or probation officer for other social circumstances. This evidence must confirm the circumstances of the case and must set out why the child should attend a particular school and why no other school could meet the child's needs.

In addition, children who were previously in state care outside of England, and have ceased to be in state care as a result of being adopted, will be considered under this criterion. A child will be regarded as having been in state care outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. The parent/carer will need to provide evidence to demonstrate that the child was in state care outside of England and left that care as a result of being adopted.

Providing evidence does not guarantee that a child will be given priority at a particular school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other.

Common medical conditions and allergies can usually be supported in all mainstream schools, therefore priority under a school's exceptional medical criterion would not normally be given for these. Some mainstream schools have units attached which provide specialist provision for children with an education, health and care plan which names the school. The facilities in these units are not normally available to children in the mainstream school and as such priority under a school's exceptional social or medical criterion would not normally be agreed for a mainstream place on the basis of a specialist unit being attached to the school.

In addition, routine child minding arrangements would not normally be considered to be an exceptional social reason for placement at a particular school.

Places may be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

4 Children of a member of staff

Priority will be given to a child if their parent is a permanent member of staff at a SESSET school and meets either or both of the following circumstances:

- a) the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made;
and/or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For applications made as part of a normal intake, the length of employment will be considered as of the closing date for applications. For in year applications and for the purpose of maintaining a waiting list, the length of employment will be considered as of the date the application is received or the date a place becomes available, if a place is considered from the waiting list.

A supplementary information form (Appendix 5) must be completed and returned by the application closing date for all applicants wishing to apply under this criterion.

5 Siblings

A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a step-brother or step-sister or an adoptive or foster sibling, living as part of the same family unit at the same address.

A child will be given sibling priority if they have a sibling on roll at the school and that sibling is still expected to be on roll at the school at the time of the child's admission.

6 Nearest school

Under this criterion all Surrey community and voluntary controlled schools will be considered, as will most academies and foundation, free, trust and voluntary aided schools. A list of the academies and foundation, free, trust and voluntary aided schools in Surrey and the out of county schools that will be excluded when assessing nearest school can be seen at APPENDIX 3. in the Surrey C.C. website <https://www.surreycc.gov.uk/schools-and-learning/schools/admissions/arrangements-and-outcomes/determined-arrangements>

For the normal intake to the school, the nearest school will be defined as the school closest to the home address with a PAN for children of the appropriate age-range, as measured by a straight line and which has admitted children without regard to faith, full selection (grammar schools) or boarding in the initial allocation of places in each of the three previous admission years ie 2018, 2019 and 2020. This will be assessed using the admissions team's Geographical Information System. Exceptions to this would be:

- where a faith school has changed its admission arrangements and that change has meant that for 2022 admission they have removed their faith based criteria or they have introduced open places which will provide places for children without regard to faith; and
- where a new school has opened or an existing school has opened a new phase of education since 2017 and that school does not have faith based criteria or has open places which will provide places for children without regard to faith;
- where an out of County school did not offer places to Surrey applicants in the initial allocation of places in each of the following admissions years - 2018, 2019 and 2020 and where that school's inclusion in the assessment of nearest school would be likely to mean that Surrey County Council would be unable to offer a place at a child's nearest Surrey school.

The nearest school may be inside or outside the county boundary.

Any applicant remaining on the waiting list after 1 September 2022 will be considered to be an application for in year admission. After this date, when assessing nearest school, all schools with the appropriate year group will be taken in to account.

7 Home address

The child's home address excludes any business, relative's or childminder's address and must be the child's normal place of residence. It also excludes any relative's address unless the child lives at that address as their normal place of residence. Where the child is subject to a child arrangements order and that order stipulates that the child will live with one parent/carer more than the other, the address to be used will be the one where the child is expected to live for the majority of the time. For other children, the address to be used will be the address where the child lives the majority of the time. In other cases, where the child spends an equal time between their parents/carers, it will be up to the parent/carers to agree which address to use. Where a child spends their time equally between their parents/carers and they cannot agree on who should make the application, we will accept an application from the parent/carer who is registered for child benefit. If neither parent is registered for child benefit we will accept the application from the parent/carer whose address is registered with the child's current school or nursery.

We will not generally accept a temporary address if the main carer of the child still possesses a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child. All distances will be measured by the computerised Geographical Information System maintained by Surrey's admissions team.

The address to be used for the initial allocation of places to Year 7 will be the child's address at the closing date for application. Changes of address may be considered in accordance with Surrey's coordinated scheme if there are exceptional reasons behind the change, such as if a family has just moved to the area. The address to be used for waiting lists, after the initial allocation, will be the child's current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Applicants have a responsibility to notify Surrey County Council of any change of address.

8 Tie breaker and the admission of twins, triplets, other multiple births or siblings born in the same academic year

Unless stipulated otherwise, if within any criterion there are more children than places available, any remaining places will be offered to children who meet the criterion on the basis of proximity of the child's home address to the school, with children living nearest receiving the greater priority. Distance will be measured in a straight line from the address point of the child's home address, as set by Ordnance Survey, to the nearest official school gate for pupils to use. This is calculated using the admissions team's Geographical Information System.

Where two or more children share a priority for a place, e.g. where two children live equidistant from a school, random allocation will be used to determine which child should be given priority.

In the case of multiple births, where children have equal priority for a place, random allocation will be used to determine which child should be given priority. If after the allocation one or more places can be offered but there are not sufficient places for all of them, wherever it is logistically possible, each child will be offered a place.

9 Waiting lists

Where there are more children than places available, waiting lists will operate for each year group according to the oversubscription criteria for the school without regard to the date the application was received or when a child's name was added to the waiting list.

Waiting lists for each year group at each community and voluntary controlled school will be maintained until 31 July 2023 when they will be cancelled. Applicants who wish a child to go on the waiting list for the 2023/24 academic year must reapply for in-year admission through Surrey County Council. Fully completed applications received during July 2023 will be used to reform the waiting list during August 2023. Applications received after the end of July 2023 will be added to the waiting list as soon as they have been processed.

10 In-year admissions

The following applications will be treated as in-year admissions during 2022/23:

- applications for admission to Year 7 which are received after 1 September 2022;
- all other applications for admission to Years 8 to 11.

Where there are more applications than places available, each application will be ranked in accordance with the published oversubscription criteria for each school.

11 The admission of children outside of their chronological year group

Applicants may choose to seek a place outside their child's chronological (correct) year group. Decisions will be made on the basis of the circumstances of each case and what is in the best interests of the child concerned.

- Applicants who are applying for their child to have a decelerated entry to school, i.e. to start later than other children in their chronological age group, should initially apply for a school place in accordance with the deadlines that apply for their child's chronological age. If, in liaison with the headteacher, governors agree for the child to have a decelerated entry the place cannot be deferred and instead the applicant will be invited to apply again in the following year for the decelerated cohort
- Applicants who are applying for their child to have an accelerated entry to school, i.e. to start earlier than other children in their chronological age group, must initially apply for a school place at the same time that other families are applying for that cohort. If, in liaison with the headteacher, governors agree for the child to have an accelerated entry, the application will be processed. If it is not agreed for the child to have an accelerated entry, the applicant will be invited to apply again in the following year for the correct cohort

Applicants must state clearly why they feel admission to a different year group is in the child's best interest and, if they wish, provide what evidence they have to support this. More information on educating children out of their chronological year group and the process for making such requests is available at www.surreycc.gov.uk/admissions.

12 Providing false or misleading information

If an applicant is found to have supplied false or deliberately misleading information or to have withheld any relevant information, the admissions authority reserves the right to withdraw any offer of a place, even if the child has already started at the school.

13 Home to school transport

Surrey County Council has a Home to School Transport policy that sets out the circumstances that children might qualify for free home to school transport.

Generally, transport will only be considered if a child is under 8 years old and is travelling more than two miles or is over 8 years old and travelling more than three miles to the nearest school with a place. Transport will not generally be provided to a school that is further away if a child would have been offered a place at a nearer school had it been named as a preference on the application form, although exceptions may apply to secondary aged children whose families are on a low income if they are travelling to one of their three nearest schools and to children whose nearest school is out of County but over the statutory walking distance.

Eligibility to transport is not linked to the admission criteria of a school. Some schools give priority to children who are attending a feeder school, but attending a feeder school does not confer an automatic right to transport to a linked school. In considering admission criteria and school preferences it is important that applicants also consider the home to school transport policy so they might take account of the likelihood of receiving free transport to their preferred school before making their application. A full copy of Surrey's Home to School Transport policy is available on Surrey's website at www.surreycc.gov.uk or from the Surrey Schools and Childcare Service on 0300 200 1004.
