

Key Stage 3 progress grid

Subject Art

Years 7-9

Topic / skill area Develop

I am able to.....

- Independently develop and refine my ideas in an original, comprehensive, fluent and reflective manner.
- Research the more conceptual/less obvious aspects of relevant Art works and integrate them into my own ideas.
- Independently refine and develop my ideas in a skilful, sequential, purposeful and coherent manner.
- Explore less obvious ways of incorporating others' Art works into my ideas.
- Show a range of relevant ideas which demonstrate an understanding of composition planning and the inclusion of aspects of artists' works.
- Demonstrate clear visual language together with articulate annotations.
- Combine diverse elements of my research including artists' studies and make labelled and personal responses.
- Show some understanding of aspects of composition planning and convey ideas through drawing.
- Draw at least four ideas which include my artists' studies as well as my own images. Write down what I have combined and how.
- Make ideas based on my research by combining my research. Write about what I have done.
