

## Tassomai User Guide

**GO TO THE NEXT PAGE IF YOU HAVE NEVER USED TASSOMAI**

### **If you have used Tassomai for Science previously**

1. Go to [www.Tassomai.com](http://www.Tassomai.com) enter your email and password (if you have forgotten your password click on the forgotten password underneath the log on boxes)
2. Choose English as your subject. If this isn't an option follow the account button and add it in your settings.

**LOGIN**

Email Address

Password

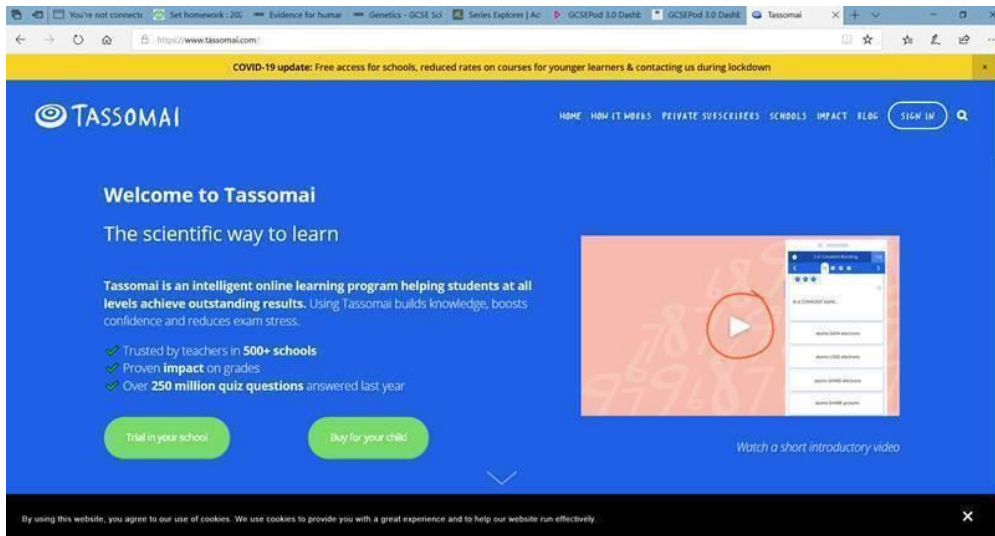

Log in

Forgot your password?  
Register with a code

If you get the error message close you the web- browser, count to 20 then reopen and re-log in, it should then work (it sometimes gets in a muddle)

## If you have never used Tassomai

1. Go to [www.Tassomai.com](http://www.Tassomai.com) (be careful it is not the coffee pods!)

2. Click sign in on the top right

A screenshot of the Tassomai login form. It has a blue "LOGIN" button at the top left. Below it, there are two input fields: "Email Address" with the value "rb@warwick.surrey.sch.uk" and "Password" with a red error message "Password is required". There is a "Log in" button on the right. Below the password field, there are links for "Forgot your password?" and "Register with a code".

3. Then click on "register with code" underneath where it says 'forgot your password?'

A screenshot of the Tassomai "Signup using Code" form. It has a title "Signup using Code" and a sub-label "Enter your code:". Below that, there is an input field containing the code "28IUYPN". A green "Next" button is located at the bottom right of the form.

4. The School code is **28IUYPN** (all upper case and the third character is a capital letter I not number 1)
5. You then fill in all your detail and select your class from the list –
  - Please use your school email for the email address
  - Hit submit and you are ready to go!

Once you are all set you can download the app on your phone/tablet by going to google play/app store.
