

7th May 2020

Dear New Parents and Students

I hope that you are all well and managing to cope in this 'new norm', that has been thrust upon us. I am hopeful that we are beginning to find a way out of this pandemic but recognise also it is not going to return to 'normal' for a while yet. I sincerely hope that your families have stayed well and are managing to meet the demands of home schooling, working from home and/or working as a keyworker.

I am sure that some of you will have started to think about your transition to secondary school and are wondering what it will be like, particularly if this is the first child to move through to year 7. We are very keen to make the start as smooth as possible and to share as much information as we can in advance. Over the next few weeks we will be seeking information from your class teachers to help us plan for September and when possible maybe even meeting your teachers and yourselves whilst in class. Within our planning we are exploring ways that we will be able to, safely, bring you into school to meet your tutors, Head of Year and peers. This has previously been advertised to you as Tuesday 30th June 2020; however, it is likely we will need to offer a number of days within that week. This is dependent on the social distancing guidance that is in place nearer the time and will be confirmed by letter or email by Monday 22nd June 2020.

To start the process we have sent you two information booklets. Students, in preparation for your induction, your book contains some activities to undertake over the next few weeks. Please do read these carefully and try to complete to the best of your ability. Here at The Warwick School, we 'Strive for Excellence' in everything that we do.

Parents if you have any questions or queries then please do not hesitate to contact [Mrs Williams](#) (Head of Year 7) or [Miss Akhavan](#) (Assistant Head). They will only be too happy to help you. If you would like to see what we are doing on a day to day basis then please do follow us on [Facebook](#) and [Instagram](#).

For now, do stay safe and we really look forward to meeting you all in the near future.

Yours sincerely

Miss Kerry Oakley
Headteacher
