Frantic Assembly are a world-renowned Physical Theatre Company who specialise in dynamic, highly energetic and creative theatre production. In these sessions you will learn how to devise in the style of the company, create performances and work collaboratively.

As theatres up and down the country are closed, Frantic Assembly have developed a new online platform- **Frantic Digital**, which allows you to watch some of their work, learn more about the company and to learn how their work is devised.

[This link](#) will take you to the section of Frantic Digital which focuses on their most famous production *The Curious Incident of The Dog in the Night-time*. Watch through as many of the clips as you like, but the main activity is the **CREATE** activity. Watch this video and then recreate your own scene in the style of Frantic Assembly- alone or with others!

Upload your scene to the Excellence folder on Teams. I am looking forward to seeing your creations 😊
