**Re: Remote Learning Guide**

Dear Parents/Carers

Most of you we know are already accessing our [Home Learning Resources](#) and your children are working away at the lessons my colleagues are setting on [Go4Schools](#) and via [email groups](#).

I have brought together all the [information, advice and guides about our Home Learning into one place](#).

Please take the time to browse through it and ensure everything feels comfortable.

Do contact us if you need any further help; it is SO important that we keep all our young people busy and focused during this time.

Best wishes

Miss K Oakley  
Headteacher
