Subject Art

Years 7-9

Topic / skill area Research

## I am able to.....

- Select a range of excellent quality, colour images whose links with the theme are less immediately obvious and explore them, using fluent drawings and other media.
- Provide a range of neatly presented artists' studies, convey their relationship to the theme and compare at least two of them using contextual and other research.
- Select less usual, good quality colour images and Art works and interpret them using fluent drawings and annotations.
- Provide neatly presented, detailed and relevant insights into the selected Art works including (contextual information) and explain their relevance to the theme.
- Select highly relevant and more unusual colour images and Art works and draw and write about them.
- Provide neatly presented written insights into and analysis of, the Art works including contextual information.
- Select relevant images including Art works and demonstrate detailed and accurate drawings and neat, useful and relevant annotations.
- Collect images and Art works based on a chosen theme and draw and label them with some care and detail.
- Collect and stick in images and Art works based on a theme and draw and label some of them.
