Girls Rugby - for School years 4, 5, 6 & 7
Specsavers Surrey Youth Games

Do you have any girls that would like to learn to play girls-only Rugby?

Old Reigatian’s Rugby Club are proud to have been selected again to manage the Reigate & Banstead Girls Rugby entries in the Specsavers Surrey Youth Games and we are looking for girls that would like to take part.

This fantastic sporting occasion means a lot to us at Old Reigatian’s as the girls that played in our first entry into the Surrey Youth Games in 2013 now form the heart of our fast growing girls section and a great number of our girls have gone on to play rugby for the County.

When/Where does it start?
Our training sessions for the Games start on Thursday 20th April 2017 6.00pm and last until 7.15pm. The sessions are held at our grounds in Park Lane, Reigate, RH2 8JX and they will be run each Thursday up until the Games, which take place at the Surrey Sports Park on Sunday June 18th.

The ethos is very simple – to have fun. The girls get to play structured games with the focus being on running, passing and catching - and because the festival is just for Touch Rugby (where a tackle is merely a two-handed tap on the opponent’s hips) it is a great way to see what rugby is all about - without the contact element that can sometimes put girls off when they are first starting.

At the training sessions the girls will receive coaching in all of the basics of rugby and will play in girls-only games. They do not even need to belong to a rugby club, they can just turn up for the training sessions and they will get to meet other girls who want to have fun giving rugby a try.

This is a great opportunity for girls to have a go at a new sport with no commitment – except to come along and have some fun - and therefore if any girls are interested in just seeing what Touch rugby is about and maybe joining in then all that they need to do is turn up to a training session and look for lots of girls having fun.

More Information?
Just in case any girls or their parents have never come across the Surrey Youth Games then they might want to have a look at this website - http://www.activesurrey.com/SYG where they can also register online. If their school or any parents would like to E-mail or call us to talk about this first then please feel free to contact David McGuigan on 07540 706 525 or by email at - david.mcguigan@oldreigatianrfc.com

As well as men’s / boys rugby at all age groups, Old Reigatian Rugby Club runs girls-only rugby sessions from the age of 7 up to 18 (and we also have a Ladies Touch Rugby section).
