Dear Parent and Carer

Re: Uniform in September for Years 8&9

Over recent months we have been flexible in our approach to school wear, respecting the challenges many families have faced throughout the pandemic in all kinds of ways. However, **the new school year is a time to re-establish high expectations and standards for uniform.** We want our students to look smart wearing a uniform that supports our sense of community and indicates that they are ready and prepared for learning.

Our aim is that all students will be in a full uniform by the end of September, allowing some time for the delivery of new branded items from our suppliers. ***No one is expected to purchase a new Carrington School uniform until their current Warwick uniform is outgrown or damaged.***

Year 8 and 9 students (currently 7s and 8s) can choose from the following options:

Their current full Warwick uniform, Skirt or Trouser version OR a new KS3 Carrington uniform, Skirt or Trouser version

Click [HERE for the details of each of these uniform options](#)

Please use [THIS FORM to order Years 8 & 9 Carrington School](#) branded uniform items directly from our local Supply Partner, Your Image Ltd

If you have more than one child to order for, please submit a separate named order for each child. There is a different order form for students in Years 10 & 11. The link for that is on the Info page of our [website HERE](#)

You can place an order at any time over the summer, and it will be fulfilled as soon as possible during September. We will endeavour to hand out uniform orders in the first few days of the new term where possible, depending on delivery and supply schedules

Orders will not be processed until full payment is received either online using the details below or with a credit/debit card by calling Your Image on 01737 766106

If you anticipate a difficulty making payment, please contact our Finance Team (emaden@carringtonschool.org) to discuss options and ways we can support.
