Dear Parents and Carers of Leavers

Re: BTEC Results Now Available

For those of you who are awaiting a BTEC result, these have now been made available to us from the Exam Boards.

We have uploaded them into the students' Go4Schools accounts; we are not legally allowed to share them directly with parents. *(If students have forgotten how to access their Go4Schools account they can re-set it following the instructions [HERE](#).)*

- They must use the website version of Go4Schools NOT the App in order to find the report they need.
- Once they get into their Go4Schools account they need to scroll right down to the bottom of the page to the Progress & Reports section.
- Here they can click on View Report.
- We advise that they then View Report as a PDF and download this for future reference as the Go4Schools accounts will expire in the next few days.

Queries should be addressed to our Exam Officer Mrs Hartley (har@warwick.surrey.sch.uk) and/or our Deputy Head Mr Rolt (rl@warwick.surrey.sch.uk).

Thank you.

Sent on behalf of the Warwick Exam & Results Team
